

## Ph.D. RESEARCH AREA REQUIREMENT FORM

Ph.D. candidates must have sufficient coursework and experience to attain proficiency in at least one research area. The choice of a research area will be consistent with a student's dissertation research. Full descriptions of the focus and requirements of each area are available in the [College of Education Graduate Student Handbook](#).

Student: \_\_\_\_\_ Email: \_\_\_\_\_

Advisor: \_\_\_\_\_ Department: \_\_\_\_\_

Select your Research Area Focus and list the coursework completed to satisfy the requirement:

**Interpretive                      Qualitative                      Quantitative                      Mixed Methods**

Subject/Number	Section	Hours	Semester	Grade*

\*Students must maintain a B average for all methodology courses.

Advisor signature indicates the above coursework satisfies the Research Area Requirement milestone.

Advisor Approval: \_\_\_\_\_ Date: \_\_\_\_\_

This form should be turned in to the Office of Graduate Programs either by email at [gradservices@education.illinois.edu](mailto:gradservices@education.illinois.edu) or dropped off in person to room 142 Education.
